HB 1300 (RSA 32:5-i) 2026 Question 2 Results by School District and SAU

Town and ward numbers are the Secretary of State's results for HB 1300 Question No. 2, from the county "Questions on Ballot" files at sos.nh.gov/2026-general-election-results (downloaded 2026-11-05). All towns and wards have reported. The district and SAU named in each town's question are taken from the question wording posted by WMUR. Under RSA 32:5-i, VI, a cap is adopted by "a 3/5 majority of the voters voting in the municipalities and wards served." Yes % is yes divided by yes plus no. A recount under RSA 32:5-i, VII could also change the closest results.

Summary

"Adopted" means Yes is at least 60.000% of yes plus no votes across all towns in the school district on that question.

School districts that adopted the school district local tax cap, highest Yes % first, down to 60.000% (94):

#	School district	SAU	Yes	No	Yes %
1	Windsor School District	34	65	14	82.278%

Notes

- Each town votes on a single question (RSA 32:5-i, V), and that one vote counts toward every school district and SAU the question names. Each row totals the towns whose question names that district or SAU.
- Concord: the Secretary of State reports Concord by ward, and Wards 1 and 2 each include part of Penacook (Merrimack Valley School District, SAU 46). The Penacook portions are taken from the Concord Monitor's ward-by-ward table (1,114 yes, 999 no) and counted in Merrimack Valley and SAU 46; the rest of Concord's Secretary of State total (8,305 yes, 7,511 no) is counted in Concord School District and SAU 8. Counting all of Wards 1 and 2, or none of them, as Penacook does not change any Concord-related result.
- Lisbon's question names "Lisbon Regional School District" and Lyman's names "Lisbon Regional High School District" (both SAU 110), so they are shown as two rows, as printed.

Table 1. School district local tax cap

Total school districts: 180. Adopted the tax cap: 94. Defeated the tax cap: 86.
